(1) This document is for delivery of goods contracted by WDS pursuant to instruction received from, or prior agreement reached with, a party entitled to claim, or direct delivery of, the goods noted in Description. Such instruction or agreement has established that the receiver listed as Consignee and/or its agent are rightful recipients of these same goods.

(2) If the driver carries a permit per F.A.C. 14-26.01311, this load is to be considered a nondivisible load in conjunction with a maritime shipment per F.A.C. 14-26.01311 (2), and the following are noted:

a. Permit no. \_\_\_\_\_

b. The transported load does not contain any hazardous waste/materials that require placarding per Title 49, CFR Part 172, Subpart F

c. The sealed containerized load is being moved by a qualified vehicle, from a maritime port, Port No. 1821, to destination noted in this document.

d. The load retains an original unbroken seal or replacement seal (as result of regulatory inspection), noted in Part 5.

e. The vehicle operator has on board a bill of lading.

(3) Trailer and/or container has been inspected and verified to be clean, dry, and odor free prior to loading.

(4) Driver agrees product is properly secured and loaded for transit and agrees to deliver load to destination(s). Both late and/or damaged loads may be subject to claims.
